

# VoiceAbility

Providing advocacy to support people to speak up for themselves

VoiceAbility offer independent advocacy for vulnerable adults receiving social or health care services in Doncaster, in particular:

- Older People
- People with Physical and Sensory disabilities
- People with Learning disabilities
- People with mental health issues
- Adult Carers
- Young people over the age of 18 who are in transition to Adult Services.

I want support to help me understand my rights and responsibilities

I know what I need. I want to have choice and control over my life

I want support to make sure my voice is heard

I want someone to support me to get good information so I can make a decision

strengthening voice, championing rights, changing lives
