Suppliers and providers of aids and equipment for independent living to disabled people

Before purchasing equipment you need to make sure that the item you require is not available from the Local Authority. You can request an assessment through the Adult Contact Team on 01302 737391, adultcontactteam@doncaster.gov.uk.

If you have mobility problems you should discuss this with your doctor. They can refer you for a wheelchair assessment. The wheelchairs are provided free of charge and remain with you until they are no longer needed. See our 'NHS Wheelchair Supply' Factsheet for further information.

On discharge from hospital, the Social Worker can arrange for you to get equipment that you need when you return home.

Some of the providers listed below also hire certain items of equipment on a short-term basis. You should contact them directly for availability and current hire charges.

Provide commodes and a range of wheelchair for short term loan. There are no hire charges, but a donation towards the service is appreciated. A charge applies for the commode potty and a refundable deposit is required. Ideally the items should be collected from the depot but home deliveries can be arranged for a non-refundable fee to cover transport costs.

A request for mobility aids can also be made online through the British Red Cross Website [here](#).

Stairlifts

Before making any decision about buying a stairlift, or making alterations, it is advisable to contact the Local Authority's Adult Contact Team on 01302 737391, who will come and assess your daily living needs. They will advise on possible solutions and may provide simple equipment to use on the stairs such as an additional handrail. If it is recommended that the solution is a stairlift, they will inform you of grants that may be available to help with the cost.
